

# HOW TO MAKE *Flower Crowns*

## *Supplies List*

Floral wire

Floral tape

Greenery

Flowers of your choice

## *Directions*

1. Shape the wire around your flower girl's head then cut to size.
2. Wrap greenery around wire and use floral tape to secure.
3. Use tape to make flower bundles to put on crown.
4. Attach flower bundles with floral tape.

Tip: If you are using fresh flowers, store in the fridge to keep fresh.
